

UCI dash-xtf Changes Test Script

Main Landing Page: dash-dev.lib.uci.edu

- Verify 'Explore by geoLocation' button appears
- Verify 'Explore by geoLocation' button resolves to <https://dash-dev.lib.uci.edu/xtf/search?browse-locations=yes>
- **X** Verify 'OC Data Portal' appears next to 'UCI Dash' in nav-header and resolves to <https://dash-dev.lib.uci.edu/xtf/search?smode=orangecounty-home>
 - Will only work if 'brand' is set to 'uci' by `/xtf/style/crossQuery/queryRouter.xml`
 - Code in `style/crossQuery/resultFormatter/default/searchForms.xml` 156-158

Geographic Search/Browse page: <https://dash-dev.lib.uci.edu/xtf/search?browse-locations=yes>

- Verify Leaflet map appears, scrolls, zooms, etc.
- Verify only record(s) with *geoLocationPoint* or *geoLocationBox* values are returned
- Verify clicking on point or box in map opens pop up with record name, creator, publisher
- Verify pop up name links to record page, and pop up creator/publisher link to geoSearch/Browse with facet selected
- Verify map always adjusts to scope of returned record(s)

Record with Geo Metadata page: <https://dash-dev.lib.uci.edu/xtf/view?docId=ucop/ark%2B%3D999999%3Dfk4r212n75/mrt-datacite.xml;query=> (EXAMPLE RECORD)

 View associated geoLocations

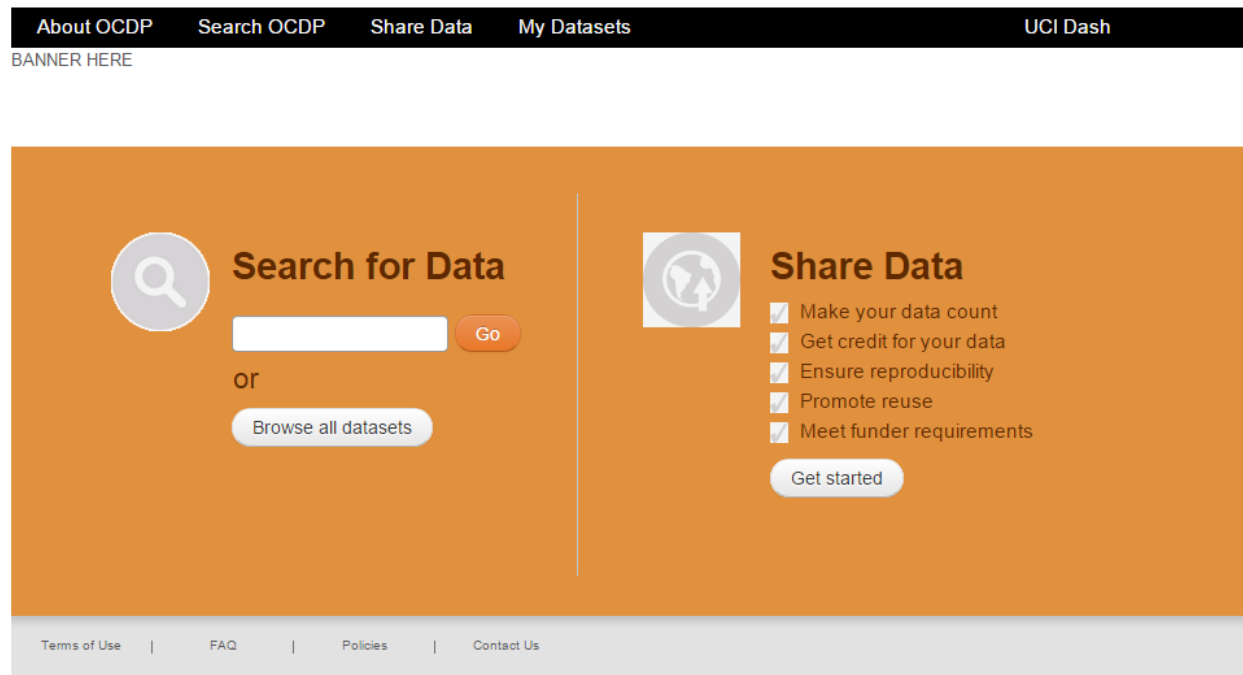

- Verify that 'View associated geoLocations' button appears for records containing *geoLocationPoint* or *geoLocationBox* values
- **X** Verify 'View associated geoLocations' button resolves to <https://dash-dev.lib.uci.edu/xtf/search?browse-locations=yes;docId=> [docID of record]
 - BUG: docId not being passed from record page

Individual record Geographic view page: <https://dash-dev.lib.uci.edu/xtf/search?browse-locations=yes;docId=ucop/ark%2B%3D999999%3Dfk4r212n75> (EXAMPLE RECORD)

- **X** Verify map displays only selected record (i.e. record on previous page)
- **X** Verify record title appears above map interface
- **X** Verify record title, creator, publish and abstract appear beneath interface and all links work

Orange County Data Portal Landing Page: <https://dash-dev.lib.uci.edu/xtf/search?smode=orangecounty-home>

- Verify that banner, page colors/styling are all OC Data portal specific (**Note: final styling and Banner image forthcoming**)
- Go to “About OCDP” and verify its OC Data Portal specific
- Go to “Search OCDP” and “Browse all datasets” and verify that they go to the Orange County Data Portal Search/Browse Page (below)
- Verify all other links work

Orange County Search/Browse Page: <https://dash-dev.lib.uci.edu/xtf/search?browse-orangecounty=yes>
